

The background of the entire page is a teal-colored photograph of a kitesurfer. The kitesurfer is silhouetted against a bright, hazy sky with a large sun in the upper right. The kitesurfer is holding a large, white, curved kite that is partially visible. The kitesurfer is positioned in the lower right, with their board cutting through the water, creating a large splash. The water is a deep teal color with white foam from the splash.

Sustainability takes you higher

Elevating sustainable leadership

In today's world, sustainability is the **key to progress**. At CRIF Synesgy Ratings, we pave the way for **the ESG transition** for every organization, whatever the size, sector, or starting point.

Drawing on decades of CRIF's leadership in ratings and data intelligence, we turn ESG into **decisions** that are simple, reliable, and accessible.

CRIF Synesgy Ratings makes sustainability **measurable**, and therefore actionable for management across every business need.

Whether you're a growth-focused business or a financial institution evaluating the **sustainability of your portfolios**, our solutions are designed to meet your needs with clear, practical support. With **global reach and granular coverage**, we deliver context-aware insights that matter from local markets to international portfolios.

Making sustainability accessible by design

Sustainability is reshaping business strategy and reputation. That's why we've created an ESG experience that removes barriers and empowers organizations at **every stage**. By combining robust, multi-source data, direct engagement, and analytical expertise in a **seamless approach**, we enable **every company** to participate fully in the ESG transition. Our solutions are intuitive and scalable, making progress **tangible**, not just aspirational.

Integration that drives value

At the core of CRIF Synesgy Ratings is a distinctive methodology: we bring together advanced analytics, meaningful engagement, and deep sector expertise to turn **complexity into clarity**. This integrated approach elevates ESG from an abstract ambition to a **practical lever for change**, enabling organizations to act decisively and drive responsible, measurable results.

Your partner for the next level of sustainable growth

In a world where leadership is defined by **vision and action**, CRIF Synesgy Ratings is your partner in **progress**. Anticipate risks, unlock new opportunities, and **accelerate your sustainable journey** with confidence.
